Quotation: Supply and installation of Icopal roof system

For the attention of Mrs Sophie Hulm,

Thank you for the opportunity to tender these works, our quotation allows for the following;

1. Scaffold access tower with scaffold edge protection to the entire perimeter of the roof.
2. Installation of a mechanical hoist, secured to the scaffold tower for the duration of the works.
3. The preparation of the existing roof surface to receive the new felt membranes.
4. Supply and install timber cladding to the inside face of the entire parapet to provide a suitable surface for the new felt system.
5. The supply and installation of BMI Icopal Thermaweld roof system as specification project number 38232
6. The stripping and replacement of the existing parapet edge trim with black GRP felt trim.
7. The replacement of both tank room doors and frames with pre-decorated, steel security doors and frames. This includes all handles, locks, hinges etc.
8. The felt overlay of both sets of trunking adjacent to both tank rooms.

Total cost £46,350.00 + VAT

We trust the above will be of interest and should you require any further information or assistance do not hesitate to contact the under signed.

Yours sincerely

Tim Streamer
